| Similar Platforms

| Statistics

| Revenue Model

As a traffic source for Naukari.com Job listings

- AmbitionBox is a subsidiary of Naukari.com and works parallelly with it to drive traffic to job listings on Naukari.com

Partnering with brands

- Users get Ambox Coins for contributing to AmbitionBox by writing company reviews, salary insights, and interview advice which can be claimed to get discounts on learning and job portals platforms like Seekho, Naukari.com, CodingNinja, etc.

| Value Proposition

Company Reviews

Read what employees are saying about companies with 7,28,171 companies listed on the platform. It gives meaningful insights into company culture, and employee benefits helping users to take meaningful decisions for their careers.

AmBox Coins

A gamification activity provides strong motivation for users to contribute to writing reviews, advice and salary insights. AmBox Coins can be redeemed with partner platforms to get discounts.

Salary Insights

Salaries from 6L+ companies are displayed on the platform with filters for multiple roles, departments, and experience within the company. Salary Calculator provided to help users understand their in-hand salaries, taxes, etc. Tools like *Are you paid fairly?* gives insights on whether your current salary is compatible with the market offerings or not.

Interview Experiences

Ambitionbox serves as a community platform to share interview experiences. It has 40k+ interview experiences shared by users which are filtered based on company and college. Campus interview experiences for 1k+ colleges help freshers get advice from their college seniors.

Step 1

You earn AmBox Coins for contributing on AmbitionBox.

Step 2

More details you put while contributing = More Ambox Coins.

Step 3

Redeem Ambox Coins against an exciting list of rewards curated for you.

Needs

She gets asked how was the interview process from her classmates who wants to get into startups, so she wants to help them.

| User Journey - Motivation

Looks like I came to the right place for reviews.

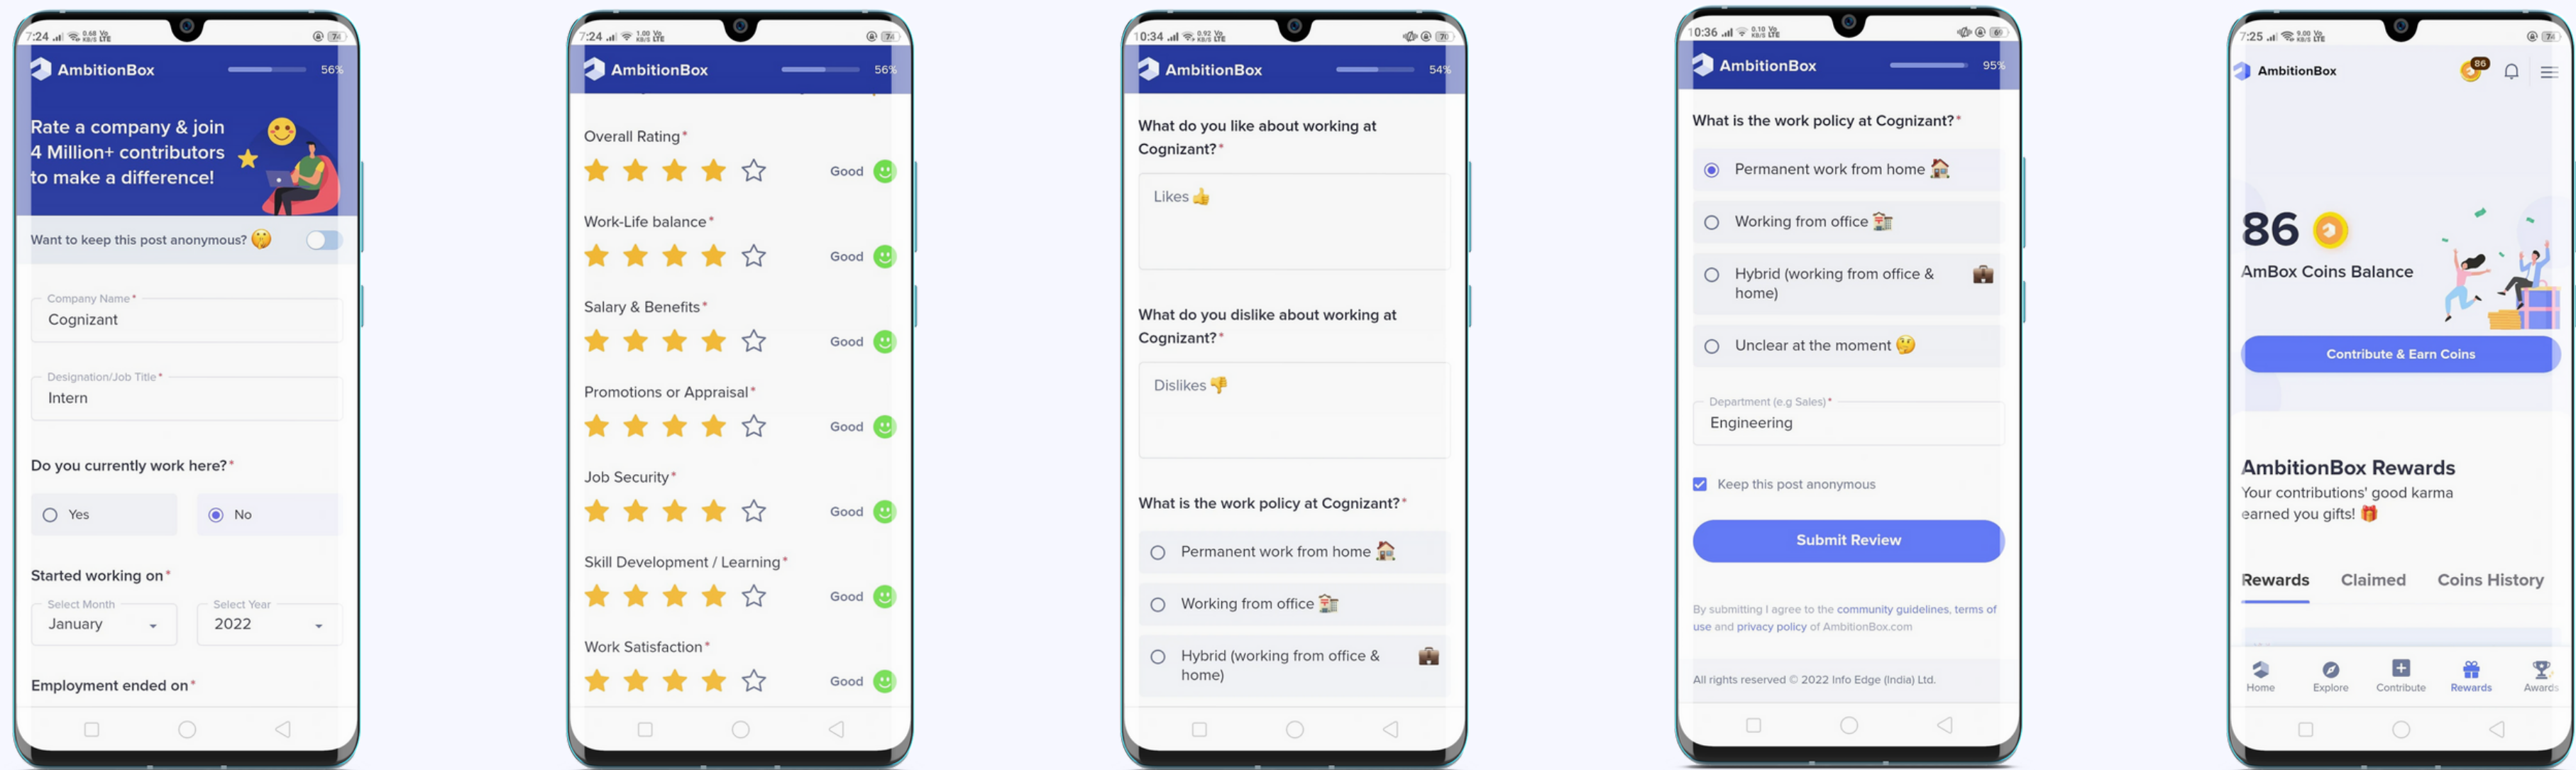

Wow! Coins, looks something exciting inside!

Ohh! I wish I could find a discount on NextLeap PM Fellowship!

Oh! I can suggest a reward. Hope I get that!

Till then, I should start collecting coins by contributing.

| User Journey - Writing a review

I'm not sure who will read this. Let me hide my name.

Too many ratings. Why all these are mandatory?

It's only half done till now.

Finally it's completed!

Wow! I got 86 coins! That's good enough to get a discount!
